

QUICK START GUIDE

Thank You for Ordering SaniTru.

You've made the right choice for you and your family. You'll be amazed at how much SaniTru can do without harsh toxic chemicals, synthetic fragrances and harmful preservatives.

As Easy As 1-2-3

- 1 MIX.** Fill ordinary tap water till the fill mark, add salt (with the supplied salt measuring (3g) spoon). Add one dropper full (1.25ml) of distilled white vinegar.
- 2 TURN ON.** Insert the smaller end of the USB cord (provided in the box) into the socket located at the base of the bottle and plug the opposite end into a USB wall socket. Press the power button.
- 3 SPRAY & WALK AWAY.** You'll hear a beep after 10 mins, your SaniTru is now ready!
